Ipackin

# Ipackin

IPackin cares the planet first so we are on the mission to help our our customers to achieve the green and low-carbon transformation with innovated Food packaging.

We get from the plants we grow, to the products we produce with advanced technology and equipment then they will be back to the plant again.

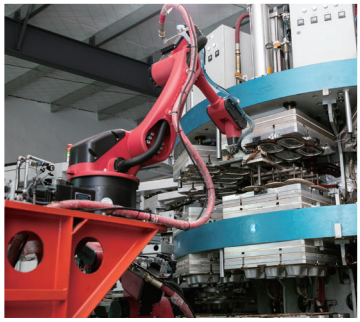
Our main products are molded fiber tableware, paper forming cutlery set, paper cups and straws, paper Bag and so on. We supply to restaurants, coffee & tea shops, bakeries and Juice Shops.

In addition, we have the OEM & ODM service to provide product requirement analysis, product design, mold design and production, supply chain and other services.

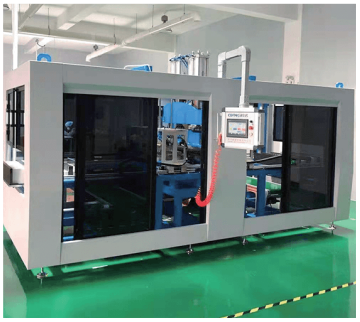
# Ipackin Mission & Value

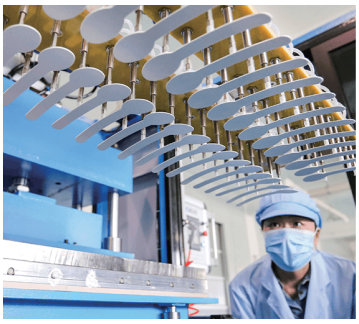
We will be the world’s premier provider of pulp molding and paper forming company to eliminate short-term use plastic, help our customers to reduce CO2 emissions, cut landfill waste, and reach sustainability goals.

# Our Factory



Pulp molding





Paper forming

We provide product require-ment analysis, product design, mold design and production, supply chain and other services.
